

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: Fiscal Review Committee Staff

DATE: February 16, 1995

SUBJECT: **SB 946 - HB 784**

This bill, if enacted, will authorize the acquisition of rights-of-way for widening a section of Old Hickory Boulevard from I-40 to Bell Road. Since the Department of Transportation would not have the authority to acquire property for local road improvements, Metropolitan Nashville government would have to contract with TDOT utilizing local government funds.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures* of \$1,000,000 to \$2,000,000 to acquire rights-of-way.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

Fiscal Review Committee Staff

**Article II, Section 24 of the Tennessee Constitution provides that: no law of general application shall impose increased expenditure requirements on cities or counties unless the General Assembly shall provide that the state share in the cost.*
